

# wanted: finance manager - Finland.

*Froosh is a small but fast-growing entrepreneurial company with a unique brand profile. We are known for mouth-watering healthy fruit-smoothies – and our equally mouth-watering brand positioning, which has made us scandinavia's favourite smoothie. We have offices in Copenhagen, Stockholm, Oslo, Tokyo and Helsinki and we also operate through third party distributors in some countries.*

Our small and energetic team at Energiakatu in Helsinki is looking forward to finally have their own finance resource in the office.

We expect you to be hands-on, curious, open minded and agile to changes and a business environment that is continuously putting demands on us.

We also require you to be fluent in English and Finish.

Froosh Oy was established in the beginning of 2012 and have since then been having an outsourced book-keeping firm to secure all the financial tasks. As we are growing we would like to find the right person for our team who can support the local sales team with everything from statutory accounts, book-keeping, VAT reporting and other taxes, accounts payables and receivables and controlling analysis. The systems you will be working in would be Excel and MS

Dynamics NAV (to be implemented in Q1 2016 by yourself together with support from colleagues in the other Nordic offices) but also an accounts payables scanning system.

Your tasks will among others be

- Implement MS Dynamics NAV for Froosh Oy – the ERP system used in the rest of the group
- Daily handing of invoices (supplier and customer)
- Monthly reconciliations of balance accounts and other monthly closing procedures
- Monthly profitability analysis per customer
- Taxes reporting and handling
- Collaboration with logistics and warehouse handling process
- Be the main contact to bank and tax authorities and salary services (outsourced handling of salary process)
- Yearly closing of statutory accounts and working with our auditors to secure a correct closing

Location: Helsinki, Finland, Starting date: asap

Looking forward hearing from you!

Please send your application in English or Swedish
